ESSENTIALS

High quality needles in sustainable packaging

Our knitting needles and crochet hooks are premium quality. Made from durable aluminium and fast growing, sustainable bamboo they are the perfect fit for every yarn lover!

The beautiful burlap cases are made from jute grown in India. The jute plant has an extremely low carbon footprint and is an amazing crop for the environment as the plants are rain fed and require no pesticides. A true plastic-free and space-saving storage for every environmentally conscious knitter.

Knitting needle set

HC-70MB12

These knitting needles are made from durable aluminium. The light grey anodised finish lets the stitches glide smoothly. Carefully tapered along the length, they pick up stitches easily and the very gently rounded tips prevent the needle from splitting the yarn. Compared with a stylish bamboo knob, you're all set for a perfect knitting experience!

25 cm Sizes 2.0 - 2.5 - 3.0 mm
10 inch US Sizes: 0 - 1.5 - 2.5

Our crochet hooks are made from durable aluminium and are silver colour anodised. The comfortably shaped bamboo handle is soft to the touch and the perfect solution for those who love the tactile appeal of natural bamboo but prefer to crochet with a metal hook.
